in the absence of Mr. Keller, GAO, talked with Mr. Remov concerning their view on our utilizing our building	
authorization and funds appropriated for it in order to acquire certain property. Rameey replied that it was Mr. Keller's view that such	
entherination and funds should not be used on two grounds: (n) that	
at the time of the justification for the appropriations no funds were in fact requested or acquisition of land in the justification and (b) the	
purpose of acquiring the land is in fact a new requirement and not contemplated or justified at the time of the appropriation.
